

Mahoney Presents 43 Local Youths with Congressional Awards

(May 14th, 2007)

(Jensen Beach, FL) - Congressman Tim Mahoney (FL-16) today presented 43 youth from across Florida's 16th Congressional District with Congressional Awards. The Congressional Award is a public-private partnership created by Congress to promote and recognize achievement, initiative and service in America's youth, ages 14 to 23.

"Every student here today should feel very proud. Earning a Congressional Award shows a strong commitment to our community and a dedication to one's future. These students have the character, integrity, and work ethic to be successful in whatever path they choose," said Congressman Tim Mahoney.

The Congressional Award provides a unique opportunity for young people to set and achieve personally challenging goals that build character and foster community service, personal development and citizenship.

To earn a medal, each participant sets and achieves challenging goals in four program areas. The areas are: voluntary public service, personal development, physical fitness, and expedition/exploration.
