

Seniors

Our seniors have worked hard, built our communities, and raised our families; they deserve to live the American dream by enjoying their golden years after a life of dedication and hard work. Tim Mahoney will fight to fix the Medicare Part D's Prescription Drug Program and protect Social Security.

Congressman Mahoney opposes efforts to privatize Social Security and is working on a bipartisan basis to strengthen Social Security without increasing the deficit, hurting hard-working Americans, or slashing guaranteed benefits.

Congressman Mahoney speaks to senior citizens in Okeechobee about issues, such as Medicare and Social Security
