

Mahoney Celebrates Funding for Hendry LaBelle Regional Park

Joins with High School Students and Other Local Residents to Discuss Funding Impact on the Community

(Punta Gorda, FL) -Congressman Tim Mahoney (FL-16) will hold an event to discuss the \$300,000 in funding to build recreation facilities at the Hendry Labelle Regional Park, which recently passed the House of Representatives as a part of the Transportation, Housing and Urban Development Appropriations Conference Report. The legislation is awaiting a final up or down vote in the Senate before it is sent to the President. The money will be used to build recreation facilities at the 126 acre park. President Bush has threatened to veto this legislation, which funds our nation's highways and bridges, affordable housing programs, and makes other investments in our critical infrastructure.

WHO: Congressman Tim Mahoney and High School Students and other Local Residents

WHAT: Congressman Mahoney meets with local residents to discuss funding for recreation facilities at the Hendry Labelle Regional Park.

WHEN: 3:00pm Saturday, December 1, 2007
