

Accomplishments

Over the last year Congressman Mahoney has made it his sole ambition to better the lives of all his constituents and see to it that the interests of Florida were brought to the forefront of the public eye. His extensive work on Homeowners Insurance Reform and the Farm Bill have solidified his presence in Congress and validated his goal of helping the families and small businesses in the 16th District succeed.

Below is a representation and validation of the work Congressman Mahoney has undertaken to improve the lives of the people in Florida's 16th District. He has aided a wide variety of constituents on matters with Federal and State agencies and has been personally responsible for bringing much needed federal support to all corners of his district. Having such a vast and diverse district, Congressman Mahoney has made it a priority to help all constituents and local municipalities in attaining much needed projects and funds to better the district and the state of Florida collectively.
