

Legislative Accomplishments: Government Reform

- Mahoney

cosponsored the Plain Language and Government Reform Act, H.R.3548

Ø

H.R. 3548 would direct government agencies to utilize plain language standards when communicating with constituents. This will help to create a more efficient and understandable government.

- Mahoney

signed a letter with Congressman Boyd urging the Government Reform Committee to ask the manufacturers of voting machines to participate in hearings regarding their various products. (September 17, 2007)
